# A Future & A Hope

Fundraising Banquet

Please visit [www.ObriaLABanquet.com](http://www.ObriaLABanquet.com) to watch our special 45-minute event. It will premiere on Thursday, November 5th at 7 pm. Don't worry, if you can't join us on November 5th, the video will be available to watch indefinitely through our website. Hope you can join us – virtually!

Our mission is to offer *life-affirming* reproductive health services, relationship education, and wrap-around care to those facing an unplanned pregnancy or sexually transmitted infection. We accomplish this by offering non-judgmental, compassionate and exceptional health care, ***so no woman feels compelled to choose an abortion.*** We continue caring for her by offering pre/post pregnancy support, as well as abortion recovery for women and men who are struggling with a past abortion. This past year we launched Optimal Health, an education program designed to teach young people skills to delay sexual activity and promote health relationships.

● The Covid-19 pandemic has affected everyone. We have seen many women wanting to abort out of fear of the Coronavirus affecting their unborn child, and we are also seeing the baby's father pushing for abortion because of those same fears. More than ever, Obria is needed! We offer a safe place where staff will pray for and with our patients. Perhaps because of Covid, we have seen an ***increase*** in our patient's openness to hearing the Gospel of Jesus Christ, and praying to receive Him as their Savior!

This year we all have experienced turbulent times. Through each challenge and success, God's provision and grace kept our perspective focused and expectant. Our vision is to be an agent of change in the communities we serve ***so that human life is valued and respected at every stage and healthy relationships thrive.*** **YOUR partnership with us, prayerfully and financially, is critical!** Together, *and only together*, through the power of the Holy Spirit, we save innocent babies from abortion and offer women and men hope, practical help, and healing! Please join us in this important Kingdom work!

PASADENA CLINIC | 445 N. LAKE AVENUE PASADENA, CA 91101

## Patient and Financial Overview

Obria sees women who are vulnerable to abort and determined to abort their unborn child. Through our caring patient care process, and the miracle of ultrasounds, **88% of these women leave our clinics intending to continue their pregnancy!**

### Reproductive Medical & Holistic Services Data (Jan 1 – Sep 30)

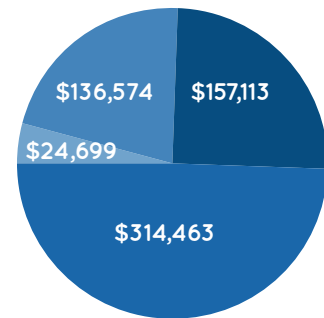

- Pregnancy Confirmations = 176
- Ultrasounds = 191
- STD Testing and Treatments = 104
- Well Women Exams = 17

Many clinics closed for several weeks during the start of Covid, but we kept our doors open. Initially, patients were afraid to come in, but gradually our numbers have increased to almost pre-Covid levels.

### Breakdown of Funding Sources from Whittier and Pasadena Clinic (Jan 1 – Sep 30)

- Monthly Support Partners = \$136,574.47
- Individual and Church Support = \$157,113.10
- Grants = \$314,436.09
- Events = \$24,699.17

***TOTAL = \$678,171.33***

## Special Investments

\$350 will provide all the medical supplies for an entire month: pregnancy tests, ultrasound supplies, STD tests.

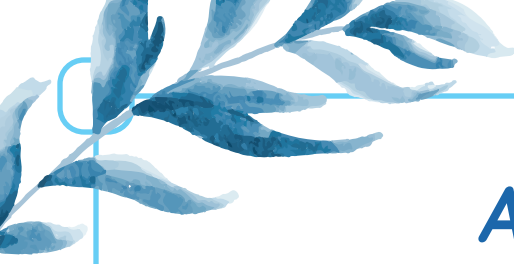

\$500 will provide advertising to rank our clinic higher on Google. We want Obria to be the “first call” for any young woman seeking an abortion.

\$1,000 will provide a series of parenting classes to train these young parents to be good parents OR a month’s worth of abstinence-based relationship education to young people, so they delay sex and prevent the possibility of having to seek out an abortion.

\$5,000 would provide the training of a medical staff member in how to do an ultrasound. Those ultrasounds save lives! Our clinics need two more staff members trained.

A monthly partnership gift of any amount helps to cover all the costs associated with keeping our doors open...rent, utilities, insurances, etc.
